Welcome to our 8th Annual Sale

The Martin family warmly welcome you to our 8th Annual Bull & Breeder Sale. We are incredibly proud of the bulls we offer for sale in 2018. We are honored to be joined in our sale this year by stud number 81 – Nangaringa Santa Gertrudis Stud run by the Fogden family in Loxton South Australia. Two of the Nangaringa bulls will travel with Riverslea to be exhibited at this years EKKA. If you are at Brisbane Show be sure to drop around to the show stalls to inspect the bulls or see them on judging day (Thursday 9th August). Lots 2, 3, 4, 5 & 6 will be exhibited and on display.

The Riverslea bulls represent the very best of our herd, with a reflection on type, muscle, doing ability and great temperament. As always, the Riverslea Bulls are prepared sensibly under realistic commercial conditions.

The bulls have enjoyed the extra attention they've had this year with our eldest son Lachlan joining our work force. We also thank Lachlan for the hours of work he has done by putting together this catalogue.

Riverslea bulls are proving to be very versatile – selling into all the Eastern States. Every year they go out and prove themselves in Stud and Commercial operations. We sincerely believe that you won't get better value for money bulls than at Riverslea Bull & Breeder Sale.

We are very grateful for your interest in, and support of our sale. We wish you all the best with your purchases. We are more than happy to assist with cattle selection and answer any questions you may have.
